PROFESSIONAL EXPERIENCE

University of Georgia, *Resident Assistant*, Athens, GA

August 2021 - Now

- Develop a positive living environment for residents, often resolving conflicts
- Promote the interaction and construction of social networks between the community and residents
- Create, market, and lead student centered hall programs to promote social, education, diversity, health, emotional, understanding and growth
- Assist in the selection, evaluation, and training of incoming Ras
- Communicate, correspond, and collaborate with on and off-campus offices such as counseling, student activities, campus security, maintenance
- Budget and allocate money used for residence hall and floor events

Kumon Tutoring Center, *Instructor and Grader*, Peachtree City, GA

November 2019 – May 2020

- Collaborate with students K-12 to complete homework assignments, identify lagging skills and correct weaknesses.
- Improve test scores by focusing on reading comprehension, math, and critical thinking skills through one-on-one tutoring sessions.
- Hold meetings with parents and guardians each grading period to discuss students' progress and respond to concerns.
- Maintain records of students' assessment results, progress, feedback, or school performance through organizational skills

United Pools, *Team Leader/Lifeguard*, Peachtree City, GA

May 2020 – August 2020

- Effectively communicated with swimmers using verbal commands and whistle
- Evacuated water when deemed necessary
- Oversaw safety measures at pool using scanning and vigilance
- Monitored weather reports closely to ensure safety of vacationers and swimmers

LEADERSHIP & RELEVANT EXPERIENCE

Personal Projects

- Personal Website – <https://rebeccatian.github.io>
 - Technology Used: HTML, CSS, JavaScript
 - Gained knowledge and extensive practice in HTML and CSS in web development, while incorporating some usage of JavaScript
- Flappy Bird - <https://github.com/rebeccatian/Flappy-Bird.git>
 - Technology Used: Java, specifically Java Swing (JFrame, rendering, KeyListener)
 - Redesigned and remade the classic game of Flappy Bird into a window application using JSwing
 - Learned and practiced Java Swing related functions including how to add graphics to a frame
